- SD-07 (DOCTORAL STUDIES), includes fields of specialty with MULTIDISCIPLINARY character, from the domains of the Doctoral Schools.

We are waiting for you at the symposium!

## PAPER WRITING

The participants will prepare the paper in extenso according to the model available at

<http://simpozion.fih.upt.ro>

and the corresponding author of the paper will send it by e-mail to

[sesiune@fih.upt.ro](mailto:sesiune@fih.upt.ro)

The full papers will be published in the HD-55-STUD SYMPOSIUM VOLUME.

## REGISTRATION OF PARTICIPANTS

The corresponding author of the paper (a student or one of the coordinators) must complete the registration form at

<http://simpozion.fih.upt.ro>

by entering the data of the coordinators, the data of the students, the title and the abstract of the paper.

Participant registration in at least one of the symposium sections and submission of the paper are absolutely necessary for participation in all symposium activities.

The deadline for registering participants and sending the paper is:

**MAY 9, 2025**
